## Our GTO's

An Official Chapter of the GTO Association of America

**Brian:** My brother and I have lived in the Maryland Heights/ Bridgeton/St. Ann area all of our lives. We've basically shared the same hobbies since we were little. I've tried a bunch and stuck with a few. I've been in and out of hockey, Nitro R/C cars, model making, trumpet (grade school through high school) and fire arms. Lately it's mainly been guitars, gaming and of course GTOs. My first car was a 1987 Pontiac Grand Am that was handed down from my mom. I graduated in 2000 and have been working as an Electronic Technician for Hunter Engineering Company since early 2001. In 2001 I decided that it was time let the old Grand Am go. I knew I wanted a Pontiac so I headed to the dealer. What did I want? Why a Trans Am of course, but the price tag was a bit much for me at the time so I picked up a new Grand Am. Was it a powerful sports car?...heck no, but it was my first new car and I had a great time with it. In June of 2003 I heard about the new GTO and I ordered one site unseen. It finally arrived on February 27<sup>th</sup> 2004. I've been a member of the Gateway GTO club pretty much ever since then. After a spring and summer of making friends and cruising in the goat, I met my wife Amy in early fall of 2004. September of last year we got married and less than a month later we moved into our first house together (I finally have my own garage). She and I have loved being a part of the club and we look forward to the years to come.

**Andrew:** Brian and I have always been crazy about cars. Even before I could drive I was always involved in the hobby. I helped Brian clean and detail his cars and he would always let me tag along. When he picked

up his GTO is when the real auto enthusiast came out in me. That helped me decide to pursue a career in the automotive industry. I am currently attending automotive technology classes at Forest Park Community college. My first car was a 1997 Saturn SC2. Not the kind of car for an enthusiast, but reliable and fuel efficient. After attending and participating in numerous Gateway GTO events/car shows/cruises, I officially had GTO fever. In May of

this year I had the opportunity to purchase a 2004 GTO from former GGTOA member Bob Ploof. I jumped at the chance and got a goat of my own. It is my first performance car and also my first experience with a manual transmission. It took me a little while to get the hang of it, but I've been having a blast with it.

## The Presidents Scoop

By Kerry Friedman

September has been a very busy Gateway GTO month. September 4, the monthly meeting with a full room at the Sport's Café. September 7, The Wheels in Motion Charity Car Show, where we raised over \$1100 with our Raffle Booth. September 14, the annual Club Picnic, at Vago Park. Thank you Harry Timmerman for the homemade Brats, and thanks bunches to Chris Simmons for the great Bar B Queing. The Annual Washer Tournament was also held.

The next weekend, Sept. 20 and 21 was the 3<sup>rd</sup> Annual GTOAA Regional Pontiac Show in Pontiac, Illinois

We had an awesome turnout from Gateway and with the Heart of Illinois crew and Windy City Goats, the weekend was super. Over 200 Pontiacs for the car show on Sunday, good weather, and the City of Pontiac, from the Mayor to the residents, made it another memorable weekend. If you call Tom Oxler "Fred", you might even see him blush.

Saturday September 27, was the annual Olivet Baptist Church Car Show. Hot Dogs, Hamburgers, lots off GTO's, some excellent Packards, bunches of Corvettes, and even a Saturn Skye, which won a trophy. Look out Earl. Thanks Joe and Bev Mayweather for the hospitality.

At this Thursday's October Monthly Meeting, we will hopefully review the 30 year anniversary logo fo new T-shirts, and the Gateway Christmas Party will be discussed.

Come on 1964, 1974, and 2004 GTO Owners, or anyone with an article on one of these years. 2014, the 50<sup>th</sup>, 40<sup>th</sup>, and 10<sup>th</sup> anniversary is almost over, and the car of the month articles have really been lacking.

October 4 there will be another Poker Run in Illinois, hosted by Frank and Cheryl Chapman. After meeting at the Gateway Classic Cars' new location, at Exit 16 on I-64 in Illinois, we cruise to Germantown to visit the site of an 1800's Fort. Then off to Wally's for lunch of his famous burgers in Breese, IL, After lunch, we cruise to the Jail House Rock for an Elvis Presley impersonation performance by Jeff Caldwell. Sounds like a great time. Let us know at the next meeting if you are going. Only \$10 per car, which includes a poker hand and Elvis. Ask your friends in other Car Clubs. Rain or Shine, Club Sponsored Event.

Our next monthly meeting will be on Thursday, October 2, 7:00PM at The Sports Café. See you there.

## Westport Car Show By Chris Winslow

The 18th Wheels In Motion Day car show was held on Sunday September 7th. This event is held each year to raise money for the National Children's Cancer Society. Those that participated in the event last year will remember that it was a total rain out. This year, however, the weather reports promised sun all day.

As usual, the Gateway GTO crew showed up at 6:30 to help set up the event, including setting up the pop up we use for raffle. The GTO crew had once again gathered a large number of raffle prize donations from a variety of local businesses. So much, in fact, it was difficult to find room to display it all. The Gateway team also managed collection of the entry fee at the parking lot entrance and helped everyone find a place to park.

# Gateway GTO Activities

There are a number of groups who have stepped forward repeatedly over the years to provide entertainment at the event and help raise additional funds. One such group is the Model T club. Each year, they run an event where they assemble a Model T from a pile of parts in a matter of minutes. Not only is this great entertainment, but the club also runs a contest where the audience can estimate how long it will take the crew to put the car together with the winner getting half of the proceeds from the contest and the charity getting the other half.

# Gateway GTO Activities

There was also entertainment presented by a number of local entertainers led by noted Elvis impersonator Steve Davis. This year in addition to Elvis, there was belly dancing as well as performances by Anna Blair as Patsy Kline and Dan Wallace as John Lennon. These artists do a great job and have a following of fans that come to the car show each year just to see them perform.

Because of the outstanding weather, the car show turnout was amazing. In addition to the usual strong turnout from the cars of Gateway GTO and the local Mustang clubs, there was also a huge presence by other clubs such as the Oldsmobile club.

# Gateway GTO Activities

## Gateway GTO Activities

The final part of the event was the raffling off of all of the items that Gateway GTO had put together. Gateway GTO president Kerry Friedman took the lead in distributing the over 50 raffle prizes that had been gathered this year.

THE GATEWAY TO THE WEST ----  
ONLY THIS "GATEWAY IS HEADED

By  
Barb Lewis

The Pittsburg Club, I must say did a great job and really put on a fun and organized Convention. They were all so helpful and energetic and always around with a cheerful smile.

A few of us chose to go on some excursions and see the great town of Pittsburgh which was really an interesting tour and Pittsburgh has become a beautiful city. Not how we remember it when we think of the days of Pittsburgh steel - coal and soot. It was amazing. "Will" decided to try his hand in mining but decided that minding Donna was easier work.

You heard it right - we're headed to the BURGHE .... Pittsburgh that is .....

## OUR 50TH ANNIVERSARY GTO NATIONAL CONVENTION 2014

I could not wait until we arrived in Monroeville and I kept on asking "Are we there yet?" And I was told "Go back to sleep - I'll wake you when we arrive" ..... We've all heard those words ... Long story short - it was a long drive but well worth it and we had a great showing of our club's members with around 30 in attendance. With no hitches - well - you know what I mean ... We all had hitches .... :-)

# Where is Gateway Tiger?

After our day of touring the city we headed back to the convention site. I of course had to check out our Chapter Display - Which was quite festive with the 50 year anniversary in mind.

You know me - "I'm always in the Middle of Things" Might, I also add we received the "Chapter of the Year" award.

And I can't forget to mention the Parking Lot party on the 4 th of July. What a great display of fireworks - not to mention the fun loving Chapter of ours- always ready to party

# Where is Gateway Tiger?

There were so many awesome cars with over 100 Concourse cars inside and 100's more outside. And I can't forget to mention seeing old and meeting new friends. That's what makes conventions memorable. We brought back many wonder memories along with many awards.

So that's my story of the Pittsburg Convention ... 0 , ya did you notice - I left out the *aHa*. Did you know from 1890 -1911 it was spelled without the *aHa* - But its BACK the *aHa* that is - AND it's the most misspelled City in America. See you guys at the next adventure. GATEWAY.

## TIGER TALES FROM SPRINGFIELD, ILLINOIS

By

Barb Lewis

Well, here I am - traveling on the Big Bus on my way to check out a convention location - with a whole bus full of party planners ...

### Here I am with 01' Abe!!

We headed out from Edwardsville and arrived in Springfield at the hotel location. I'd give this place my 5 star rating .... We walked in and were greeted by the hotel staff and the event planners from Springfield .... "The Land of Lincoln" -I was impressed by the hotel- and the lobby area was like "WOW", " let me tell ya", it was amazing with so many just hanging out places to sit and talk -(This tiger will be getting around) and this area is all open to the restaurants/coffee bar and the " real" bar "to have that cold drink of choice", is very groovy and inviting place to hang out -The staff told us the hotel would be ours and they were so willing to go along with anything we suggested. So SIT BACK - HOLD ON - and put the PEDAL TO THE MEDAL - we'll be going back in time .... I suggest we get our working and thinking caps on because there's lots to do .. This will be a Convention not to be forgotten.

We found plenty of space inside for the parking of concourse cars and a huge parking lot outside for, "we will be saying" ... more GTO's than we've ever seen in one place ... A great venue for us Tigers .... We were given the tour of Springfield where we can set up excursions for site seeing and or just hanging around town and seeing it on your own. There's so much to do and see here and lots of History ... The ideas just kept running rapid and now we all have to pick and choose and decisions to be made .... They even have an outdoor movie that operates - how cool is that if we could pull that off one night for "ONLY GTO'S" a "Step Back in Time" -- And pick our very own movie! Popcorn and hot dogs - And then ---- Marty is planning on providing Karaoke in the bar each night - for those who have or have not a voice - as it's all just for fun fun fun or just singing along ... There will be something all day and night for everyone - and the carpet won't roll up early here and we can't forget the

# Where is Gateway Tiger?

ladies at this convention either - it's not always about the Guys and their Cars - it's about the Ladies behind the Guys and their Cars. So this will go down as "THE GTO CONVENTION VACATION LOCATION" "COME AND HAVE FUN WITH GATEWAY" ( 0 , ya that's me .... :-) I plan on having some stories to tell after this.

I can't wait to see my new outfit for the parking lot party that won't be in the parking lot...AND - I overheard the girls are all wearing poodle skirts - they could be brewing up a

huge Sock Hop -No telling what will come of this ... but we'll have a great band playing from 7 -11 and they will be taking us back in time ... I expect we'll be doing a lot of dancing and singing along to all those songs we remember that played on our radio's while we cruised around town. SO much work to do .... So everyone get ready. We all need to put our heads together and work together like we always do to pull off the best Convention ever. So that was my day "How was yours"? See ya, Gateway.

## GATEWAY GTO PICNIC and THE CONTINUING TRAVELS OF "GATEWAY TIGER"

By  
Gail Schott

Sunday, September 14, 2014 proved to be a perfect day for a picnic. It was a bit chilly in the shade and you needed your Gateway GTO jacket or its equivalent, but in the bright beams of sunshine it was beautiful. Gateway Tiger was on hand to make sure that all the supplies were in order....

And that our master chef, Chris Simmons, was tending the fires and savory meats. Speaking of savory meats, between the pork steaks, chicken breasts, brats, dogs, and burgers...it was a Tiger's delight! Yumm! Great job, Chris!

Gateway Tiger got to spend some quality time chatting with Mr. "Big Wheel" himself, Tom Oxler.

(Who *knew* he liked sitting amongst the pretty flowers?!)

# Where is Gateway Tiger?

Continuing on the “pretty” road, Gateway sure does like pretty things, like sitting between these pretty ladies! Tootie May and Bev Mayweather were more than happy to enjoy some time together with him.

But! Gateway isn’t always just “sitting pretty”. Sometimes he has to take control! And be in command! And supervise certain situations! He had to instruct the kids on the proper rules for playing the beanbag toss game! (Hmm, may have spent a little too much time with the “Big Wheel”.....)

Why lookie there! A dead-on “ringer”, or “hole-in-one”, or whatever you call a bean-

bag “point”! Gateway Tiger’s seat from high atop the water fountain had the best vantage point for keeping score.

This is what inspires us as adults to carry on the tradition of competition in our an-

nual Gateway GTO washer tournament. In the spirit of not “taking all day” to get the games done, the points cap for winning was lowered and the games began. The games on the pavement this year proved for quite a few “run-away” washers and their brightly colored paint finishes were soon chipping away. But great fun was had and the players and winners all had lots of fresh air and “oomph-time” with each bend for retrieval of their washers!

As it turned out the Winners of the *Losers* were Mark Melrose and Earl Lewis.

The overall Winners of the *Winners* were **Will Bowers** and **Tony Bezole!** Congratulations, guys!

## Gateway GTO Club Information

The Gateway GTO Association was initially formed in the summer of 1984 by a group of seven. They all had a common interest in the Original Muscle Car, the Pontiac GTO. As a form of communication we publish a monthly newsletter called "The Hood Scoop". The purpose of this newsletter is to keep our members informed of all upcoming activities as well as providing interesting event coverage. The club meets every first Thursday of the month at Sports Café 3579 Pennridge Dr, Bridgeton, MO 63044

Membership dues are \$35.00 per year and all renewals are required to be paid by December 31st. You are allowed to have one associate member.
