Established in 1994, the St. Louis Car Museum & Sales has provided motorcars, motorcycles, and airplanes to collectors and enthusiasts around the globe. Our variety of inventory is a testament to our passion for special interest vehicles of all kinds.

We actively buy, sell, and trade everything from antiques and classics to muscle cars and European sports cars, vintage motorcycles, airplanes, and automobilia. All vehicles are displayed in our combined 80,000+ square feet of Swiss Track Tile Flooring and climate controlled complex in St. Louis, Missouri just 10 minutes from Lambert International airport.
